

## **Directions to River Ridge Lodge**

### **From I-77:**

Take exit 14, Rt. 58 West to Independence. From the stoplight at the Historic 1908 Courthouse in downtown Independence continue straight for 2.4 miles on 58 west. At Rixey's gas station turn left onto Battlefield Drive (SR 711) and go approximately 3.74 miles. Battlefield Drive will run parallel to the New River & through River Ridge Farm. At the large horse barn the road will bend left and then right. You will see a low-water bridge and public boat landing on your left. At this point the pavement ends and the road changes into Gold Hill Road. Continue on the gravel road for one mile. Gold Hill will bend to the right, away from the river. River Ridge Cottage is the first house on your left and sits back off the road. If you miss the driveway just keep going & you'll find a second entrance just past the house by the mailbox.
